## OPEN SINGLES

### 2013

This tournament will be played over the course of the summer, starting June 1. Each player will be assigned an opponent whom they can play at one another's convenience. Rounds will start on the 1<sup>st</sup> and the 15<sup>th</sup> of each month. Depending on the number of entries, the last two or three games might have to be played on the same day later in the season. (\* see fine print)

Three games are guaranteed. Games will be to 21 points. Wins and total plus points will determine ranking. Game one, ending on June 14, will be a random draw. Subsequent games will be set up with highest ranking vs. lowest ranking. Winners of game two will go to the Championship Flight while losers will go to the First Flight. The rest of the games will be knockout games with only the winners advancing. (\*\* more fine print)

Entry fee is \$5. Deadline for entries is May 28. In the event of an uneven number of entries, one of the historically top players will get a bye for game one. Highest ranking winner after game 1 will have a bye for round 2. (\*\*\*)also, see fine print)

#### fine print

\* Players will need to set up their own matches. To allow for vacations, illness, or other legitimate reasons, if someone cannot complete their game before the deadline, they will have an additional 7 days to do so. However, they will be expected to complete that game in the next week and complete their next game by the next appointed deadline. Otherwise, any player who cannot complete their game by the deadline will be eliminated and their scheduled opponent will advance. Once each flight gets down to 8 or 10 players, a bracket will be set up. This should enable players to play two games in one day if they wish to do so. All communication will be by e-mail.

\*\* If any round ends with an uneven number of winners, the next highest ranking player will advance, even with a loss. Tie breaker for ranking after a game will be ranking prior to latest game.

\*\*\* More fine print likely to follow...
