Lawn Bowling Green Reservations

Lake Park is a relaxing summer setting for friends, family or business associates. For lawn bowlers, it is the ideal setting for a sports challenge and socializing. The lawn bowling greens, some of the finest in the country, are available for group events.

Reservation times are available on Tuesdays and Thursdays in the later afternoon or evenings under the lights. Groups of up to 40 players can be accommodated. Other reservation times and group sizes are available on an exception basis.

Games can be social, fun for a group of friends, or a mini-tournament that becomes a mixer to meet new friends or business associates. The event is coordinated and instruction provided by experienced members of the Lake Park Lawn Bowling Club.

The only equipment you need to bring - flat soled shoes to wear on the greens

There are picnic tables for pre and post game socializing. Picnics can be provided by area caterers, or bring your own. The Lake Park Bistro has catered past events that include bar setups under the pavilion porch with waiters delivering appetizers to the greens.

Your event begins with selecting lawn bowls available in sizes for large or small hands. There will be an explanation of the basics - how to roll the bowl to make it go where you want it to go. Next a couple of "trial ends" rolling the bowls to get a feel for the game. Then the games begin. If playing tournament format, it is important that all players be available at the start time. There will be several short games and everyone moves to the next opponent at the same time. This format needs an even number of players and teams. Your event will last about two hours.

The bowling greens are meticulously maintained. They are leveled and cut precisely. We need your cooperation to keep them in perfect condition. Lawn bowls are never lofted or tossed. They are always rolled. Shoes with heels are banned. Barefoot is a bucolic summertime option.

Weather is the one thing we cannot control. If there is short cloud burst, we move indoors. Rain-outs will be rebooked if available, or refunded.

Green rental fees are:

\$200 (group size up to 20)

\$300 (group size 21-30),

\$400 (group size 31-40)

Groups larger than 40 require further discussion. Green fees reserve the greens for 2 hours and include equipment and club staff to instruct and oversee your event. A booking fee of \$100 is required at time of booking to reserve the greens for your event.
