

BOWL XVIII

October 14, 2017

9 AM START

This will be a team competition with a format similar to the NAC. Two teams will be made up as evenly ranked as possible by the tournament dictator. Prior to game one, the two team captains (El Magnifico and El Supremo) will draw to see which team they have.

The Schedule:

- Pairs:** 12 ends
- Singles:** One game of 9 end sets with ties played off
- LUNCH** **CHILI!** by our fine chefs (or whoever volunteers)
- 2's, 3's, or 4's** 12 ends pairs, triples or fours – determined by entries
- Singles** One game of 9 end sets with ties played off

Each game is worth two points to the winning team with one point for ties. In the event of an overall tie, the winning team will be determined by plus points scored in Pairs & Triples/Fours. The winning team will split the entry money after the cost of lunch is deducted (antacid is on your own).

Entry fee will be \$20 if paid by entry date or \$25 if received later. Enter individually. We can only take an even number of entries. Morning & afternoon sessions and/or alternate games may be split between two people. Open to all members of Bowls USA or other international bowls organizations.

Deadline for entries is 10/9 unless we need to make an even draw. Send all your money to:
