Greetings <<First Name>>,

Introducing ***The Hog Line*** - a newsletter for Milwaukee Lake Park Lawn Bowling Club Members. The newsletter will be sent to members monthly with club updates, league highlights and informative articles to keep you in the know about your club. Let us know if you have any feedback on the design, the type of information we should include or if you have any content or pictures we should share. We'll consider adding your ideas in the next issue.

Hoping this issue finds you and your family in good health, surviving the winter offseason and looking forward to the 2022 Lawn Bowling Season.

The Lead

While there has been no activity on our greens (except maybe for Bob bowling in the snow), your new Board of Directors and Officers have been busy preparing for the upcoming season. The following were elected at the last annual club meeting ([Read Meeting Minutes](#)):

Up and Back

Bob Schneider, Dale Parsons, Mark Mathwig and Rob Behncke (not pictured) competed in the Bill Weaver Men's Pairs Tournament in Sun City Arizona Dec. 4th and 5th.

Bob and his partner Brian Stewart (SW Division) took First Place while Rob and his partner Jim Roth (Canada and SC Division) took Fourth. Dale and Mark were just happy to be bowling in December. Our Milwaukee club was certainly well represented!
